Branding

Branding Solutions

Our dedication to high quality and ever-expanding branding solutions guarantee that we have the right solution for your brand. No matter the product, we can brand it.

Branded clothing is an effective way of increasing your brand awareness, whether it's your staff at an office, conference, or event.

Here are a few of the most popular branding types for Apparel & Workwear:

- Embroidery
- Screen print
- Heat press

Branding Options

Each product has a suggested branding method icon, these are suggestions of the best branding method to use for your products.

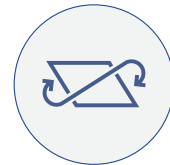

Pad printing is done using a silicone pad. It functions as a transfer vehicle, picking up ink from the printing plate, and pressing it directly onto the product.

Screen printing is a printing technique whereby a mesh screen is used to transfer ink onto a substrate. This is the most common method of imprinting on promotional items and apparel.

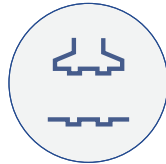

Embroidery is stitched with a computerised embroidery machine using patterns digitised with embroidery software.

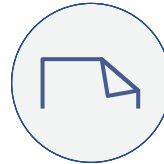

Digital printing is a method whereby the image is printed directly onto the product. This application provides you with a full colour printing option.

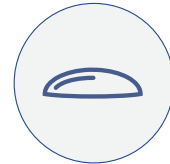

This method is achieved by burning the top layer of the substrate with a thin laser beam that cuts through the product creating a lasting detailed logo.

Deboss printing involves creating a die in the shape of a logo that is pressed into the surface creating a permanent sunken design.

Digital stickers are digitally printed directly onto a vinyl adhesive substrate that can be affixed to a product. This application provides you with a full colour printing option.

Dome printing is digitally printed directly onto a vinyl adhesive substrate that can be cut into a variety of shapes and sizes. The stickers are then coated with a polyurethane to give a dome-like appearance creating a 3D effect.

MULTI-PURPOSE

A man and a woman are smiling and looking at each other. The man is on the left, wearing a dark blue puffer jacket over a yellow shirt. The woman is on the right, also wearing a dark blue puffer jacket. They are outdoors with trees in the background. The image has a soft, romantic feel with a light blue and white color palette. There are large, faint, stylized letters 'U', 'S', 'A' in the background.

A man and a woman are smiling and looking towards the right. The man is wearing a light gray crewneck sweater and the woman is wearing a dark navy blue crewneck sweater. They are both wearing blue jeans. The background is a light blue with large, faint, stylized white letters 'W' and 'S' visible. A semi-transparent white rectangular box is overlaid on the lower left portion of the image, containing the text.

A person wearing an orange high-visibility shirt and dark denim jeans is standing in a warehouse. They are holding a black handle of a pallet jack. In the background, there are cardboard boxes with shipping labels. The text 'Workwear Bottoms' is overlaid in a large, white, cursive font. Below it, the text 'DURABLE FOR EVERY WORK ENVIRONMENT.' is written in a smaller, white, sans-serif font. The image is decorated with large, semi-transparent, stylized letters 'W', 'E', 'S', and 'T' in the background.
